

NATURA...solid color-thru phenolic

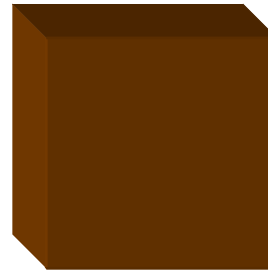

Spec-Rite Designs now offers a color-thru option for our entire line of products including: Design-Tec® Lockers, DesignRite® Partitions, DesignLine® Cabinets, Durable Designs® Furniture, laboratory tops / work surfaces and wall lining systems. Color-thru phenolic provides the same great qualities you've come to expect from standard black-core phenolic and is now available in nine maintenance-free colors! Email info@specritedesigns.com for additional information.
